

How is your marketing really doing?

Tell it what you run. It checks your website live, reads the exports you drag in from your ad accounts, analytics or email tool, and compares your numbers to typical results. You get a score, what is working, what to fix first, and the numbers to watch every week.

HOW IT WORKS

- Tell it what you run**
 Your site, ads, social and email, typed or out loud.
- Get your report**
 A score by area, benchmarks and what to fix first.
- Improve it**
 Fix it yourself, or have us fix it and report monthly.

WHAT YOU GET

- A score by area**
 Website, search, ads, social, email and text, follow-up, measurement.
- Your site, checked live**
 Speed, security, search basics, sharing, tracking and contact paths.
- Your data, read for you**
 Drag in exports; it reads them in plain words.
- Against typical results**
 Your numbers next to what is normal for businesses like yours.
- Fixes in order**
 Each with its impact and effort, so the first hour counts most.
- A weekly scorecard**
 The few numbers to watch, with targets, and a 30 day plan.
